ATCHISON-HOLT COVID-19 COMMUNITY TESTING

The Atchison County Health Department and Holt County Health Department, in collaboration with Community Hospital, Fairfax, will be providing COVID-19 testing for 200 residents, 7 years of age and older. Symptoms will not be required to get a test. The testing will involve using a swab to take a sample from inside the nose and can be uncomfortable. Location and time will be provided at completion of registration. This is active COVID-19 testing and not antibody testing.

COVID-19 IN HOLT COUNTY

Total Cases	Confirmed Cases	Probable Cases	Deaths
2	1	1	0

COVID-19 cases will now be classified as either "confirmed" or "probable" based on the following criteria and definitions:

Confirmed case: The case meets the confirmed laboratory evidence, which is the detection of SARS-CoV-2 RNA in a clinical specimen using an approved detection test verified by a certified testing laboratory.

Probable case: The case meets clinical criteria AND epidemiologic evidence (close contact with a confirmed or probable case; travel to or residence in an area with sustained, ongoing community spread; or a member of a risk cohort as defined by public health authorities during an outbreak), with no confirmatory laboratory testing performed for COVID-19

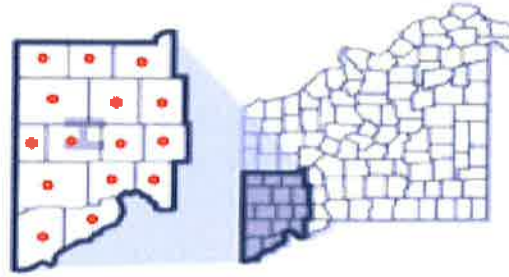

*Probable cases will not be reflected on the DHSS website.
